

Agricultural Committee Corporate Sponsorship

The Hall County Agricultural Committee's focus is educating youth on the importance of agriculture, through agricultural awareness and educational events. We also want to thank our farmers, ranchers, and producers for their continued commitment to agriculture.

The Agricultural Committee is asking for your investment in these events by being a 2026 Corporate Sponsor. Your **\$350** investment funds these programs and brings awareness of your support of the ag industry. Your business is recognized in many ways at our events, including name and logo on signage, on all printed material at our events, and during presentations. Sponsors will also be included on the Hall County Fair's website (www.hallcountyfair.com).

Some of the programs the Agricultural Committee works on throughout the year are highlighted below.

Local High School Scholarships – Your sponsorship provides two \$500 scholarships for Hall County students pursuing a post-secondary education. The scholarships are traditionally awarded at the Ag Appreciation event held during the Hall County Fair.

Ag Day – Nearly 800 4th grade students from Grand Island and surrounding schools enjoy hands-on educational experiences and demonstrations about the world of ag and livestock production. Ag Day helps bridge the gap between our urban and rural communities and illustrates the linkage between ag products and the businesses that make the products.

Ag Appreciation Event – To thank producers for contributing to the economic vitality of our area, the Corporate Sponsors host 300 area farmers, ranchers, and 4-H families for a casual meal during the Hall County Fair.

Little Feet on the Farm – Over 750 children and families participate in Little Feet on the Farm Exhibit during the Hall County Fair. Youth spend "Time on the Farm" interacting at various farming stations, traveling to the "Tractor Lot" to fuel their pedal tractor, and visiting the "Grocery Store" to restock the shelves with the products collected on the farm. These activities highlight a "Field to Fork" concept.

Feed the Farmers – The Committee handed out boxed lunches at the Grand Island Aurora Coop Terminal and Green Plains Wood River Ethanol Plant to the farmers and those helping with harvest back home as a Thank You for all that they do for our economy. We recognize the farmer is the heart and soul of agriculture and we wanted to personally thank them for all that they do.

We believe agriculture is a staple of Grand Island and Hall County. With your sponsorship dollars, we will continue to educate our youth and recognize our Ag producers. The Hall County Agriculture Committee's partnership with the Hall County Agricultural Society provides us with the opportunity to continue our plan for promoting agriculture in Hall County.

The Agricultural Committee would appreciate your support in 2026! To ensure your company's name is included on all promotional material, please submit sponsorship funds by March 1, 2026. Please note we have a new mailing address as listed below. If you are interested in helping with the above events, please contact us at (308) 379-7191.
